The Board of Directors of the World Trade Council of Wichita, at the May 11th Board meeting, elected Roger M. Hubble as Chairman.

Roger has been active in the organization since joining in the mid-1990's, and was most recently Executive Secretary of the Board.

Mr. Hubble has a long history in aviation that began in 1974 when he learned to fly while attending Wichita State University. He also earned a MBA from WSU (1996).

His international business experience began in 1980 at Beech Aircraft Corporation. Mr. Hubble served in many positions on U. S. military and international surveillance and reconnaissance aircraft programs including Contract Administration, Program Management and Marketing & Sales. The majority of Mr. Hubble's international business experience with Beechcraft was in Latin America, Europe, Middle East, SW Asia, North America and the Pacific Rim.

The World Trade Council of Wichita, Inc. welcomes Mr. Hubble as Chairman as we look forward to another successful year. Our focus will remain on promoting international trade and networking among business professionals and executives and Wichita State University students and faculty.

Thank you for your continued support of World Trade Council. We look forward to seeing you in the Fall.
